EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Larson on November 5, 2004.

The application has been amended as follows:

Claim 2 has been cancelled.

Claim 1, line 13, after "front wall, ", the following has been inserted - - wherein said rear wall is greater in height than the front wall, and wherein said front and rear walls of said channel diverge from the bottom of said channel to the top of said channel, whereby said channel has an increasing width from bottom to top, - -

The following is an examiner's statement of reasons for allowance: The prior art of record alone or in combination fail to disclose a corner block as claimed having particularly the rear wall is greater in height than the front wall, and wherein the front and rear walls of the channel diverge from the bottom of the channel to the top of the channel, whereby the channel has an increasing width from bottom to top, and the degree of texture of the side surface and end surface being greater than the degree of texturing of the top surface; and a retaining wall as claimed and having particularly the exterior corner of each course is formed by a plurality of subcourse blocks of the first

plurality of blocks and for each course the subcourse blocks are arranged into first and second subcourses that have a combined height that is substantially equal to the first height of the second block as recited in claims 9 and 19, or having the first plurality of blocks has a second height that is less than the first height with a reinforcement bar disposed within the channels in the second plurality of blocks and with the channel of a first block as recited in claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Korie H. Chan whose telephone number is 703-305-8079. The examiner can normally be reached on Mondays and Tuesdays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Leslie Braun can be reached on 703-308-2156. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
